IAS STAFF MEETING MINUTES

3 March 1972

25X1A

PRESENT:

25X1A

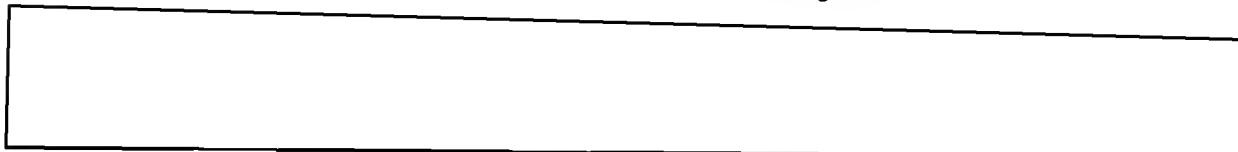

1. A new DDCI, General Vernon Walters, has been nominated officially. He has been an American defense attaché in Paris. He will report to the Agency on Tuesday, 7 March. He will visit D/NPIC and D/IAS during his briefings.

2. The DCI was shown the display of items prepared for the President's China trip. Work is underway in preparation for the President's trip to Moscow. Among other things, OBGI is preparing maps of Moscow. The President is expected to travel to Moscow in the middle or latter part of May and will be there about five days.

3. New NSCID's were approved on Thursday. They have no immediate effect on the work of IAS.

4. Special efforts continue to be made to recruit qualified black applicants to work in CIA. A recruiting team visited Oberlin College in Ohio recently--results are not known thus far.

5. A SALT Verification Panel Meeting is scheduled for next Wednesday. A briefing on the latest mission will probably be given.
